The following is an examiner's statement of reasons for allowance: none of the prior art of record discloses or teaches the claimed combination of a power distribution panel, printed circuit board, laminated busbar unit, conductors and a semiconductor switching element on a first face of the board, a busbar on the second face of the board, and a first and second connecting portion being electrically connectable via a relay system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary F Paumen whose telephone number is 571-272-2013. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Paula Bradley can be reached on 571-272-2800, ext. 33. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
